Spring has Sprung

Hard to believe we are looking at our last month before 2023 show season gets underway. So much work has been done over the winter in preparation.

Our new Show Jumping Series has required a lot of effort to create new jumps and boy, Kasandra Olson outdid herself! These aren't your boring crossrails!

Thank you in advance to everyone coming out to help clean up the grounds for Spring cleanup.

April Meeting Notes:

Thank you everyone who has signed up for volunteer hours already! We have noticed many opportunities remain for kitchen help. If you have kitchen experience and can lend a hand that would be greatly appreciated. Without help it will be impossible to offer the great menu we have all come to expect.

Banquet Information : Our year end banquet will be held 10/15/23 at the American Legion Hall in Rochester. This venue offers a larger room as we expect the addition of the show jumping series will swell our numbers. The details are being finalized but we expect the ticket prices to remain about the same as last year

Spring Cleanup : Is just around the corner! 4/15 and 4/16 with a raindate of 4/22 and 4/23. Bring your tools and help us get the grounds spiffed up for show season which starts the first week in May this year! General cleanup/ kitchen cleaning, some painting and light carpentry are just a few opportunities available.

Start to get your show entries in for May: Remember to read the rulebook for each show series and have valid coggins information for each animal. You can save time and some \$\$ by sending your entry in by mail or email to each show manager. We don't ask for payment until the show day so if you have day of changes your total can be adjusted. With the large number of entries, the earlier you get your entry in, the easier it is for the show manager to stay organized

Don't forget about the closure of the Greenhill Bridge. May 1st is slated as the start of the permanent closure of the bridge as it gets replaced. This project is expected to run for at least 180 days

Spotlight on a Year End Award :

Members of N Bar H often sponsor a year-end award which is in addition to the high point champions already awarded. These awards have their own criteria, and the winner is not announced until the year end banquet. Awards range from ribbons, plaques, tack items or something specialized for the winner. If you are interested in sponsoring an award, please get in touch with the show manager for the event you are interested in.

Special Awards for Spots!

We welcome all breeds and colors of horses, ponies and longears to participate in our events. Many members sponsor special awards for those participants with a little bit of extra pizzazz in their coat colors. These high point awards are available throughout all the show series so if your competitor has a little spot in their step take a look!
