Happy February!

The days are getting longer, and we can hope for warmer temperatures. Show season is only a few months away and preparations are being made so we are ready!

Our new officers took their places in January, and I invite you to attend a meeting to meet them and add any thoughts you have about the club to the conversation. Winter is a time of reflection and when some of the best ideas come to light.

Make sure you check out the website : **NBARH.com** to see the new classlists, updated show books with some rule changes, 2022 show dates and forms as well as pictures from previous events.

Our website designer has been working to make the site more user friendly and up to date with the changes approved at the end of last year.

Volunteer Opportunities

To help the club gather manpower for various tasks we have kept the volunteer hours option for both families and individuals. There is a reduced membership fee in exchange for a few hours of volunteering.

Not sure what you can do? Spring cleanup has tasks for everyone and it's a great way to meet fellow members. Our kitchen can always use help on show days. Too busy showing at the Pleasure show? Come up on the Mini or Gymkhana show days and learn a new aspect of the club.

**** NEW for 2022 ****

When you arrive at an event to volunteer please check in with the person in charge. We will have a tracking sheet for you to sign in and out. This will help us follow the hours submitted for the reduced membership rate and alleviate uncertainty of completion by the end of the August shows. If the hours are not completed, you will be ineligible for year-end awards and the reduced rate for next year.

February Meeting:

Our February meeting was held on February 10th at the showgrounds club house. It was the first meeting with our new officers seated.

We have sent contracts securing our 2022 judges. The ribbons have been sorted and ordered

We reviewed the website to admire the new format and that the with new membership and show information has been updated

Discussed the need to raise the price of kitchen offerings due to the increase in supply costs. Also, to find lower cost solutions and more in depth comparison shopping

We have begun to list the areas that will need volunteers for the upcoming season. This includes property maintenance, kitchen help and developing a training or shadowing process to help people learn to do more specialized positions such as ring stewarding or assisting in the show booth.
