Previous Business:

The shows all were a success. The Mini/Pony added 3 under saddle trail classes per exhibitors' interest. This was decided to be kept for this year's show season.

An issue was reported of possible alcohol on the grounds. It was investigated and handled by Linda with a verbal warning as no evidence was found.

Porta Potty pricing increased over what was quoted earlier this year. Jane was going to call and ask about it.

New Business:

Voted to give Tami another \$500 card to restock the kitchen for June

Motion made and passed to have a member who is offered money as a tip to be the ring steward for the day complete their required volunteer hours first before receiving money. This allowance is to be voted on each year. Made : Jane / seconded by Jolene

\*\* Banquet

Discussion was had about various venues and pricing of available meal options. The idea of a pot luck was brought up as a future option. A limiting factor of the Governors Inn was they are at capacity at 130 guests. Our last banquet was 132. Pricing has gone up for all options.

The decision was made for October 23<sup>rd</sup> at the Elks in Rochester. Linda and Tammy are going to spearhead this plan and get meal options and time/date secured.

Patty has agreed to donate the cake this year.
