

Keyhole

The Pattern

Cross the start/finish line, run into the circle of the keyhole thru the wings, turn 180° in either direction, then return across the start/finish line. All four of the horse's feet must enter the circle thru the wings.

Run must start/finish between the start poles and can be run in either direction.

~~Chute may be used for this course (read rules for using the chute).~~

Disqualifications:

The rider will be disqualified if the horse's hoof touches the ground on or outside of any portion of the Keyhole (circle or wings), running off course or separation of rider and horse/pony during the timing period will disqualify contestant.
