Old Business:

Ribbons have been ordered and invoice received. They should arrive mid-April. We have enough ribbons to hold the May shows already so we are ok if the ribbons take a bit. The company is really backed up.

Additional keys have been made to replace those that were missing and not working. Spares are in the clubhouse as well as additional locks. The locks have the keys that work for them inserted in them. They do not match other locks.

New Business:

Approved Stacey to get \$400 for cash boxes for show and kitchen startup for May. Motion made by Sharon and seconded by Jane and Heather

Approved Stacey to cut the checks for the May judges

Need to send the Mini/Pony show book to the judges

Kitchen start-up money for supplies to be determined and provided at April meeting

Linda has someone to run the 220 volt outlet for new fryolator. Also need to replace the cord on the smaller one to allow both to be used.

Gary will work on the drain in the kitchen prior to cleanup. We will ask him to connect the water pump as well.

CLEAN-UP :

Need to set a date in summer months to have a painting/ staining event as Spring and Fall are usually to wet.

Get new trim boards for the booth to replace what has rotted and was insect damaged.

Fix bleachers as soon as possible. All materials have been bought already

Fix the windows in the club house to hold the air conditioners more securely and be able to keep them in year-round.

Meeting Adjourned at 7:38pm
