New This Year:

We are planning to have a painting / staining event this summer to maintain the ring rails and outbuildings. In the past we have tried to do this at the cleanups but it is usually too wet in the Spring and Fall. This will be another chance to get your volunteer hours in outside of attending a show. The date is not yet set but it is definitely required to do this year to protect the outside fixtures.

** NEW for 2022 **

When you arrive at an event to volunteer please check in with the person in charge. We will have a tracking sheet for you to sign in and out. This will help us follow the hours submitted for the reduced membership rate and alleviate uncertainty of completion by the end of the August shows. If the hours are not completed, you will be ineligible for year-end awards and the reduced rate for next year.

February Meeting:

Our March meeting was held on March 3rd at the showgrounds club house. The meetings start at 7pm

Ribbons will be arriving mid-April as the company is very backed up. We have enough sets to complete the shows in May so a delay in receiving them should not effect our competitions.

The Treasurer has been approved to pull the money needed to set up the cash boxes for the shows and cut the checks for the May judges. Show time is coming up fast!

CLEAN-UP :

Need to set a date in summer months to have a painting/ staining event as Spring and Fall are usually to wet.

Get new trim boards for the booth to replace what has rotted and was insect damaged.

** Could use some volunteers with carpentry skills to help with this**

Fix bleachers as soon as possible. All materials have been bought already

Fix the windows in the club house to hold the air conditioners more securely and be able to keep them in year-round.
