Old Business:

Clean up went well. All building projects completed. A lot of outside work done.

Kitchen is almost ready. Final cleaning and stocking will be done in upcoming week.

Got in touch with mowing contractor for upcoming schedule to start

Bonfire permit investigated – Because all members would be open to liability it is decided not to try to have a burn. There is a possibility of doing it in the winter depending on the amount of snow that falls. The pile would have to be moved and the nails and left over metal would need to be properly disposed of.

Renting a chipper is another solution but it costs \$175 pr day (730am-430pm) and must be towed to and from the store.

New Business:

Patty is going to set up in the show booth for a few hours in the morning to accept new memberships and hand out membership cards. This will save some postage and help keep the memberships up to date and organized.

Show officers will have a new volunteer log to send to Patty at the end of each show. One was completed and sent for the Spring cleanup.

Upon paying the electric bill it was discovered that our entity was out of date. This is being investigated and will be resolved by Stacey and Sharon if possible.

Raffle items are needed to help raise money for the improvement fund.
